

Document Checklist

When talking with a student who is interested in taking out a loan with Study Loans, please make sure they know the following documents are required.

Study Loans recommends enrolment officers inform students seeking finance that they will need these documents as part of the loan application process. This will ensure the student is prepared and is able to complete the application in full.

Students will need the following documents to hand:

- Medicare Card
- Passport or Driving Licence
- Employment Details
- Income & Expense Details
- Bank Details
